

The screenshot shows the WooCommerce 'Advanced' settings page. The left sidebar contains a menu with items like Dashboard, LearnDash LMS, Posts, Stripe Gateway, Media, Pages, Teams, Portfolio, Testimonials, Event, Comments, Contact, Notice Board, RS Elements, Groups, Automator, and WooCommerce (highlighted). The main content area is titled 'Advanced' and has tabs for General, Products, Shipping, Payments, Accounts & Privacy, Emails, Integration, Advanced (selected), Smart Coupons, and Product fields. Below the tabs are links for Page setup, REST API, Webhooks, Legacy API, WooCommerce.com, and Features. The 'Usage Tracking' section has a paragraph about gathering usage data and an 'Enable tracking' checkbox which is unchecked. A red arrow points to this checkbox. The 'Marketplace suggestions' section has a paragraph about contextual suggestions and a 'Show Suggestions' checkbox which is also unchecked. A red arrow points to this checkbox. At the bottom left, there is a 'Save changes' button with a red arrow pointing to it. Another red arrow points to the 'Advanced' tab in the top navigation bar.

Usage Tracking

Gathering usage data allows us to make WooCommerce better — your store will be considered as we evaluate new features, judge the quality of an update, or determine if an improvement is needed.

Enable tracking ☐ Allow usage of WooCommerce to be tracked

To opt out, leave this box unticked. Your store remains untracked, and no data will be collected. Read about what usage data is tracked in our [Documentation](#).

Marketplace suggestions

We show contextual suggestions for official extensions that may be helpful to your store.

Show Suggestions ☐ Display suggestions within WooCommerce

Leave this box unchecked if you do not want to see suggested extensions.
