

The image shows the 'Advanced' settings page for WooCommerce. The left sidebar contains a menu with items like Dashboard, LearnDash LMS, Posts, Stripe Gateway, Media, Pages, Teams, Portfolio, Testimonials, Event, Comments, Contact, Notice Board, RS Elements, Groups, Automator, and WooCommerce. The main content area has tabs for General, Products, Shipping, Payments, Accounts & Privacy, Emails, Integration, Advanced, Smart Coupons, and Product fields. The 'Advanced' tab is selected. Below the tabs are links for Page setup, REST API, Webhooks, Legacy API, WooCommerce.com, and Features. The 'Usage Tracking' section has a heading and a paragraph explaining that gathering usage data helps improve the store. It features a checkbox labeled 'Enable tracking' with the text 'Allow usage of WooCommerce to be tracked'. Below this is a note: 'To opt out, leave this box unticked. Your store remains untracked, and no data will be collected. Read about what usage data is tracked [Documentation](#).' The 'Marketplace suggestions' section has a heading and a paragraph: 'We show contextual suggestions for official extensions that may be helpful to your store.' It features a checkbox labeled 'Show Suggestions' with the text 'Display suggestions within WooCommerce'. Below this is a note: 'Leave this box unchecked if you do not want to see suggested extensions.' At the bottom left of the main content area is a 'Save changes' button. Red arrows point to the 'Advanced' tab, the 'Enable tracking' checkbox, the 'Show Suggestions' checkbox, and the 'Save changes' button.
